# Central Contractor Registration (CCR) And Dynamic Small Business Search (DSBS) Data Collection Form

CCR has been designated as the federal government's primary vendor registration database. Firms interested in doing business with the federal government will, in most cases, be required to register in this database before contracts can be awarded (the primary exception is credit card/purchase card transactions). DSBS is a supplementary database that allows small businesses to provide additional information about their capabilities.

Use this form to collect the information needed to register in the CCR and DSBS databases. This form collects the basic information required for CCR registration. Firms wanting to provide additional optional information should call KPAP at (800) 838-3266, or use the official form at <a href="http://www.dlis.dla.mil/ccr/PDFs/central\_contr\_reg\_form.pdf">http://www.dlis.dla.mil/ccr/PDFs/central\_contr\_reg\_form.pdf</a>. For more information, a CCR Handbook can be downloaded from <a href="http://www.ccr.gov/handbook.asp">http://www.ccr.gov/handbook.asp</a>.

Kentucky firms that want a representative of the Kentucky Procurement Assistance Program (KPAP) to review your form and/or enter the data on your behalf should fax the form to (502) 564-5932 or mail it to KPAP, Economic Development Cabinet, 23<sup>rd</sup> Floor, Capital Plaza Tower, 500 Mero Street, Frankfort, KY 40601. DO NOT send this form to the federal government. If you want to enter the data yourself, you can do so online at <a href="http://www.ccr.gov">http://www.ccr.gov</a>. If you have any questions about CCR/DSBS registration, call (800) 838-3266.

Such penalties include fines of not more than \$500,000 or imprisonment for not more than 10 years, or both; administrative remedies prescribed by the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801-3812); and suspension and debarment as specified in subpart 9.4 of title 48, Code of Federal Regulations (or any successor regulation) (see 15 U.S.C. 645 16(d)).

Does not exceed the numerical size standard for its industry based on the NAICS code size standard table at <a href="http://www.sba.gov/size/">http://www.sba.gov/size/</a>. In determining the size of your business, you must include the employees and receipts of all affiliates, including those of the parent company and all of its affiliates if you are owned by another company. Please refer to <a href="http://www.sba.gov/size/">http://www.sba.gov/size/</a> for more information on the size standard regulations and policies, including the rules on affiliation of firms.
